

Dropline OD Prototype - Frequently Asked Questions (100 FAQs)

This FAQ document is intended for a prototype Unsecured Dropline OD application. It is suitable for use as a RAG knowledge source. Answers are customer-facing only and do not disclose internal credit assessment, underwriting, or offer generation logic.

Product

Q1. What is a Dropline OD?

Answer: A Dropline OD is a revolving overdraft facility where the maximum drawing limit reduces over time according to an agreed schedule.

Q2. Who is this product designed for?

Answer: It is intended for businesses that need flexible working capital.

Q3. Is this a secured or unsecured facility?

Answer: This prototype represents an unsecured Dropline OD.

Q4. What is the maximum limit?

Answer: Up to ₹50 Lakhs in this prototype.

Q5. What is the tenure?

Answer: 36 months (3 years).

Q6. What is the facility validity?

Answer: 1 year before renewal review.

Q7. What is the interest rate?

Answer: 13.9% per annum in this prototype.

Q8. What is the processing fee?

Answer: 1.9% of the sanctioned amount in this prototype.

Q9. Do I receive the entire amount at once?

Answer: No. You can draw funds as needed up to the available limit.

Q10. Can I use the facility multiple times?

Answer: Yes, while funds remain available within the current limit.

Interest

Q11. Do I pay interest on the full sanctioned limit?

Answer: No. Interest is charged only on the utilised amount.

Q12. When is interest calculated?

Answer: Interest is calculated according to the product terms and shown on the dashboard.

Q13. What is accrued interest?

Answer: Interest accumulated up to the latest calculation date.

Q14. Why is my interest increasing?

Answer: Interest grows while you have an outstanding utilised amount.

Q15. Can I reduce interest?

Answer: Reducing the outstanding utilised amount generally reduces future interest.

Q16. Is interest fixed?

Answer: For this prototype, yes—13.9% p.a.

Q17. What is the next interest debit date?

Answer: The dashboard displays the scheduled date.

Q18. What if I never use the facility?

Answer: No interest is charged on the unused portion.

Q19. Is interest shown on the dashboard?

Answer: Yes.

Q20. Can the chatbot calculate my interest?

Answer: It explains the methodology but does not perform account-specific calculations.

Application

Q21. How do I start?

Answer: Log in and review your pre-approved offer.

Q22. Why do I see a pre-approved offer?

Answer: The application has made an offer available. The chatbot cannot explain how it was generated.

Q23. Can I change the sanctioned amount?

Answer: No, not within this prototype.

Q24. Do I need to read the KFS?

Answer: Yes, before acceptance.

Q25. What is MITC?

Answer: Most Important Terms & Conditions.

Q26. What happens after I click Continue?

Answer: You proceed to OTP verification and e-sign.

Q27. Can I save and continue later?

Answer: If supported by the application, yes.

Q28. What if I close the browser?

Answer: Log in again and continue if the session is available.

Q29. Can I cancel before e-sign?

Answer: Yes, by leaving the application before acceptance.

Q30. When is my application complete?

Answer: After successful OTP verification and e-sign.

OTP & E-sign

Q31. Why is OTP required?

Answer: To verify your identity.

Q32. Where is OTP sent?

Answer: To your registered email in this prototype.

Q33. What if OTP expires?

Answer: Request a new OTP.

Q34. What if OTP is incorrect?

Answer: Re-enter the correct OTP or request a new one.

Q35. Can I resend OTP?

Answer: Yes, if the option is available.

Q36. What is e-sign?

Answer: Electronic acceptance of the agreement.

Q37. Is e-sign mandatory?

Answer: Yes, before activation.

Q38. Can I edit my details after e-sign?

Answer: Not through the accepted agreement.

Q39. What happens after e-sign?

Answer: The facility is activated according to the workflow.

Q40. Can I retry e-sign?

Answer: Yes, if it was not completed.

Dashboard

Q41. What is Available Limit?

Answer: The amount currently available to draw.

Q42. What is Utilised Amount?

Answer: The amount already used.

Q43. What is Sanctioned Limit?

Answer: The maximum approved amount.

Q44. Why did my available limit reduce?

Answer: Because of utilisation and/or the reducing dropline schedule.

Q45. What are Days Elapsed?

Answer: Days since activation.

Q46. What is Renewal Status?

Answer: Shows whether renewal is approaching or completed.

Q47. Can I download my sanction letter?

Answer: Yes, from the dashboard.

Q48. Can I view KFS later?

Answer: Yes, if provided.

Q49. Can I close the facility?

Answer: Use the Repay/Close option if available.

Q50. Where do I monitor interest?

Answer: On the dashboard.

Renewal

Q51. Why is renewal needed?

Answer: The facility validity is one year.

Q52. When should I renew?

Answer: Before the displayed validity expiry.

Q53. Will I receive a reminder?

Answer: The application may display reminders.

Q54. Do I read KFS again?

Answer: Yes.

Q55. Do I complete OTP again?

Answer: Yes, if required.

Q56. Do I e-sign again?

Answer: Yes, if renewal requires it.

Q57. Can renewal change terms?

Answer: Review the latest documents presented.

Q58. What if I miss renewal?

Answer: The facility may no longer remain active.

Q59. Can chatbot explain renewal?

Answer: Yes.

Q60. Can I ignore reminders?

Answer: It is better to renew before expiry.

Documents

Q61. What is a sanction letter?

Answer: Official confirmation of the approved facility.

Q62. Why download it?

Answer: For future reference.

Q63. What is KFS?

Answer: Key Fact Statement.

Q64. What does KFS contain?

Answer: Key commercial terms of the facility.

Q65. What is MITC?

Answer: Important operating terms and customer responsibilities.

Q66. Can I download KFS?

Answer: Yes, if provided.

Q67. Can I download MITC?

Answer: Yes, if provided.
