

Dropline OD Prototype - Page-wise FAQ Handbook

Customer-facing FAQ handbook for the prototype Dropline OD journey. This document is suitable for use as a RAG knowledge source. It excludes internal credit assessment and underwriting logic.

Page 1 – Introduction

Purpose: Introduce the product before account selection

Q. What is a Dropline Overdraft (OD)?

Answer: A working-capital overdraft where interest is charged only on the utilised amount and the available drawing limit reduces according to the agreed dropline schedule.

Q. How is it different from a normal OD?

Answer: A normal overdraft usually keeps the same sanctioned limit, whereas a Dropline OD has a predefined reducing drawing limit.

Q. What are the benefits?

Answer: Paperless process, quick digital journey, unsecured facility, flexible working capital and interest only on the utilised amount.

Q. Is this an unsecured loan?

Answer: Yes. This prototype is an unsecured working-capital facility.

Q. What is the maximum credit limit available?

Answer: The prototype supports offers up to ₹50 Lakhs. Your individual sanctioned limit is shown on the Offer page.

Q. How is interest charged?

Answer: Only on the utilised amount at the prototype fixed rate of 13.9% p.a.

Q. What is a reducing dropline structure?

Answer: The maximum available limit reduces over time according to the schedule. This reduction is not an EMI.

Page 2 – Login

Purpose: Authenticate the customer

Q. I forgot my password/PIN. What should I do?

Answer: Use the Forgot Password option to reset your credentials.

Q. Is my login secure?

Answer: Yes. Never share your password or OTP.

Q. Can I log in using my Account Number?

Answer: Yes, using Account Number and Debit Card PIN.

Q. What happens after I log in?

Answer: You proceed to the Policy Confirmation page.

Page 3 – Policy Confirmation

Purpose: Review declaration

Q. What am I agreeing to?

Answer: You acknowledge the declaration and agree to continue the application.

Q. Can I read the policy later?

Answer: Yes, but you should review it before proceeding.

Q. Does accepting the policy activate my facility?

Answer: No. Activation happens only after KFS, MITC, OTP verification and E-sign.

Q. Can I cancel after accepting the policy?

Answer: You may exit before completing E-sign.

Q. What happens after clicking Continue?

Answer: You proceed to the Offer Details page.

Page 4 – Offer Details

Purpose: Display the sanctioned offer

Q. What is the interest rate?

Answer: 13.9% per annum (fixed) in this prototype.

Q. What is the processing fee?

Answer: 1.9% one-time processing fee.

Q. What is the tenure?

Answer: This prototype illustrates a 12-month dropline schedule.

Q. What is facility validity?

Answer: The period for which the current approval remains valid before renewal.

Q. Can I change my sanctioned amount?

Answer: No. The sanctioned amount is pre-approved and cannot be changed.

Q. What does Reducing Dropline mean?

Answer: The maximum drawing limit decreases monthly according to the agreed schedule.

Page 5 – KFS + MITC + OTP + E-sign

Purpose: Document review and acceptance

Q. What is the Key Fact Statement (KFS)?

Answer: A summary of the key commercial terms including limit, interest, fees and repayment structure.

Q. What is MITC?

Answer: Most Important Terms & Conditions explaining your responsibilities.

Q. Why do I need OTP verification?

Answer: To verify your identity. The OTP is sent to your registered email in this prototype.

Q. I didn't receive my OTP. What should I do?

Answer: Wait, check spam/junk and request a new OTP.

Q. What happens after successful E-sign?

Answer: Your acceptance is recorded and the facility is activated.

Q. Can I download the KFS and MITC later?

Answer: Yes, they remain available after activation.

Page 6 – Congratulations

Purpose: Activation confirmation

Q. Has my Dropline OD been activated?

Answer: Yes. This page confirms successful activation.

Q. When can I start using my facility?

Answer: Immediately after activation, subject to the available limit.

Q. Can I download my sanction letter?

Answer: Yes, from the dashboard.

Q. What should I do next?

Answer: Go to Dashboard.

Q. Where can I see my available limit?

Answer: On the dashboard.

Q. Will I receive a confirmation email?

Answer: Yes, the prototype can send confirmation to your registered email.

Q. When will interest start getting charged?

Answer: Only after you utilise the facility.

Q. Can I start using the OD immediately?

Answer: Yes, after successful activation.

Page 7 – Dashboard

Purpose: Manage the facility

Q. What is my Available Limit?

Answer: The amount currently available for withdrawal.

Q. What is my Utilized Amount?

Answer: The amount already drawn.

Q. Why has my Available Limit reduced?

Answer: Because of utilisation and the reducing dropline schedule.

Q. What is Accrued Interest?

Answer: Interest accumulated on the utilised amount.

Q. How is my interest calculated?

Answer: Only on the utilised amount.

Q. What is the Next Interest Debit Date?

Answer: The next scheduled date for interest debit.

Q. How do I repay my Dropline OD?

Answer: Use Repay/Close Facility.

Q. How do I renew my facility?

Answer: Choose Renew Facility and follow the renewal flow.

Q. Can I download my sanction letter again?

Answer: Yes, from the dashboard.

Q. How do I close my Dropline OD?

Answer: Use the Repay/Close Facility option.
